

# Nuestra Senora de la Soledad

by Emmy

The Mission Nuestra Senora de la Soledad was founded on October 9, 1791. It was the 13th out of 21 missions in California. It was founded by Padre Fermin Francisco de Lasuen. It's located on 36641 Ft. Romie Rd., in Soledad. It was founded because they're a day's walk away from each other. An interesting fact of the Mission Nuestra Senora de la Soledad is that it's been destroyed by floods twice.
